IRISH WOLFHOUND CLUB CHAMPIONSHIP SHOW. JUDGE CHRIS AMOO

What a lovely way to spend the day, judging a lovely selection of our lovely breed. Definitely the pinnacle of my judging career. I know this has been said so often but I found many decisions very difficult, such was the quality. Bitches are stronger than dogs at present. I was able to find what I was looking for in most of the classes. Dogs with commanding appearance, having a look of power. Substantial, yet retaining greyhound-like shape, nicely proportioned with good muscle. Some food for thought. Wolfhounds are very strong willed and it's only fair to give some form of training to set them up for the rigours of the show-ring & every day life. It's not fun for a dog to be thrown into an environment it hasn't been prepared for, it causes stress for both dog & owner & what should be enjoyable can become a nightmare.
